## ***TRAFFIC ADVISORY*** **I-25/DOUGLAS COUNTY**

**DOUGLAS COUNTY** – Lane and ramp closures will be in place next week as part of two widening projects on Interstate 25 in northern Douglas County.

- **Monday, January 26 – Thursday, January 29:** Right lane of southbound I-25 closed from Exit 191 (just south of RidgeGate Interchange – *under construction*) to Surrey Ridge (Exit 190) from 9:30 p.m. to 5:30 a.m., for the removal and replacement of concrete barrier.

This is initial work for the widening of I-25 from three to four lanes between Lincoln Avenue and Founders/Meadows Parkway in Castle Rock. The project includes construction of a two-lane, 2 ½ mile frontage road, just east of I-25, connecting RidgeGate Parkway and Castle Pines Parkway. All work is scheduled for completion in September 2009.

- **Monday, January 26 – Thursday, January 29:** Ramp closed from Plum Creek Parkway to southbound I-25 in Castle Rock between 8 a.m. and 4:30 p.m., for installation of ramp lights and snow closure gate. Drivers can access southbound I-25 by taking the West I-25 Frontage Road south seven miles to the Tomah Road Interchange.

Reconstruction of the ramp is part of the Colorado Department of Transportation's (CDOT) I-25/Plum Creek Parkway Interchange reconstruction project. It also includes widening northbound and southbound I-25 from two to three lanes between 5<sup>th</sup> Street and Douglas Lane. All work is scheduled for completion in December 2009.

Road conditions and CDOT construction information is available at the *cotrip.org* website or by calling 511 statewide.
